Greetings;

This letter is information about Meadowcrest Estates Neighborhood Association. Following the general meeting in February, in which new board members were elected for M.E.N.A., the board met to decide who would hold each office. Below is a list of the people who will be serving the association this term.

President: Michael Rideau m.rideau@verizon.net
VP: Leta French baylorgirl16@yahoo.com
Treasurer: Rex Gifford
Board Member: Jim Dickerson
Board Member: Don Wright donw89@verizon.net

On May 4th, the board met again, to discuss the repair of the perimeter retaining wall. We decided to mail letters to the 235 homeowners in our subdivision, to solicit donations, to help cover the association's portion of the cost of repairs. When donations are enough to meet the expected cost to the association, we will apply for the Neighborhood Vitality Grant. All costs for printing and mailing of the letters were paid by the board members. No association funds were used.

We hope to make this email a quarterly newsletter, to keep you informed about what's happening in our neighborhood, and the status of the wall repair project. MENA has received over \$2,000 in contributions in the past couple of weeks, to be used for the wall repairs. Please check our website <http://www.meadowcrestestates.org/index.html> for the latest total. We plan to update this total weekly, or as often as there are significant increases in the total. To our neighbors who have already donated, thank you so much.
